BASIC AIM

The basic aim of SCLC is to achieve full citizenship rights, equality and the integration of the Negro in all aspects of American life.

Although great changes are taking place in the South because of economic, social, and industrial forces, the barriers to a prosperous, free and creative life for all southerners, black and white, will not disappear automatically.

To achieve these ends, SCLC is dedicated to justice, refuses to cooperate with evil, and will work unrelentingly for social change, but always in the spirit of good-will and non-violence.

HISTORY

The founding meeting of SCLC was held in Atlanta, Georgia on January 10, 11, 1957. Indicative of the need of such an organization as this is the fact that its initial meeting was interrupted by dynamite blasts that wrecked and damaged homes and churches in Montgomery, the early morning of January 10th.

Subsequent meetings have been held in: New Orleans (February, 1957) Montgomery (August, 1957), Memphis (October, 1957), Clarksdale (May, 1958), and Norfolk (October, 1958)
