3:50 pm: A bomb threat came in over the phone "I've just about had enough of this shit." Emma Bell, A SNCC worker asked "What do you mean?" The reply "About this 1323 6th Avenue shit." (SNCC office of COFO project)

# order.

"Watch out for the good old damn bomb tonight." happens daily; this not out of ordinary. ~~Telegram tonight telling come Service station pick up a white man driving white Ford sedan & said don't free them freedom son of a bitch anything. Same at an-~~ Itta Bena: FBI arrested three white men for interfering with civil rights workers. Shocked Service station attendant speechless.

The SNCC office wants the Justice Department to be notified and requested to file suit to injoin against the enforcement and use of and to declare unconstitutional any such a statute requiring a permit to distribute leaflets.

The FBI should be requested to investigate and arrest those violating the law of the land and denying people their constitutional rights by enforcing such an illegal and unconstitutional statute.
